# Global conversations. Global innovations. Global opportunities.

This year at Big 5 Global, we're bringing together everyone involved in building our cities – from vision to execution to sustainable impact – creating a future of liveable and resilient cities.

Here you will meet the people who drive change whilst exploring partnerships, insights and innovations for your next project.

This premier urban development and construction meetup is where our cities' future takes shape. With stakeholders from vision to commissioning, it offers a unique chance to gain insights, network and discover innovative solutions. Serious about staying ahead? Be here.

**Josine Heijmans**

# Get ready for a world of innovation, learning & inspiration

## Event content and features

### Leadership Summits and Excellence

Gain insight into the future from the leading voices in our industry.

Hear from leaders at the forefront of technology sharing valuable insights.

Learn from pioneers shaping cities for a sustainable future.

Enhance business planning with innovative geospatial insights.

Elevate operational efficiency with advanced FM solutions.

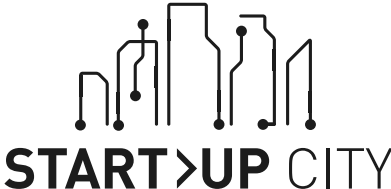

Celebrate the achievements of businesses and leaders who truly XL.

### Digital Transformation

Get ready to explore the coolest tech innovations in the industry.

Check out the disruptors pushing the boundaries of traditional methods.

### Professional Development

Gain insights from leaders, innovators, and sustainability experts.

Acquire actionable strategies from urban development experts for real-world impact.

Discover strategies in geospatial technology to help you achieve your goals.

Advance your practice in an environment designed to inspire the future of architecture.

# Explore the largest display of industry solutions from the world's top brands

**LIEBHERR**

**WATTS**

**HYUNDAI**
